**RESPONSE TO NOTICE TO FILE  
CORRECTED APPLICATION PAPERS**

Sir:

This is in response to the Notice to file corrected application papers issued February 12, 2003. The response period is set for 30 days.

**RESPONSE**

The notice specified that a new set of formal drawings is to be submitted. A failure to respond would result in abandonment of the application.

Applicant wish to point out that there are no drawings in this case. The specification does not set forth any drawings. This application is the national phase of PCT application number WO 99/66957, filed as PCT/US99/13975. It has gone through preliminary examination in the PCT office and examination by Dr. Hankyel Park in Group Art Unit 1648. No drawings were mentioned in the transmittal papers, no drawings are described in the application.

The present notice requiring formal drawings is not understood.
